5. [REDACTED] In response to his request of Friday, I called [REDACTED] Florida and advised him that Mr. [REDACTED]
[REDACTED] would contact him within the next day or two and
arrange to meet with him in the very near future. [REDACTED] was most
appreciative of this and apologized for not being in his office when I
called him yesterday. (See Journal of 23 February 1962.)

25X1 6. [REDACTED] Talked with Representative James C.
Auchincloss (D., N.J.) in connection with a letter he had written to the
Director expressing his displeasure over his inability to obtain information
by telephone as to the title and duties of Mr. Cord Meyer. I had a pleasant
conversation with the Congressman who merely indicated he had become
irritated by a secretary's statement of "this information cannot be divulged."
He does not desire a response to his letter. (See Memorandum for the
Record.)

25X1 7. [REDACTED] The Director appeared before House
Foreign Affairs Committee. See Memorandum for the Record.

25X1 8. [REDACTED] Discussed the Administration's
employee pay proposal with Charles E. Johnson, Chief Counsel,
House Committee on Post Office and Civil Service. Mr. Johnson
indicated that at present Chairman Tom Murray (D., Penn.) is
quite concerned about the Postal Rate Bill and probably will not be
willing to give much serious consideration to the Administration's
pay proposal until the Rate Bill is cleared. Mr. Johnson also
indicated that Chairman Murray would be putting the President's
bill in the House hopper. It has been drafted and is waiting final
approval by Chairman Murray. Mr. Johnson will call and let us
know when the Bill goes in.
